# CREATING A MEMORIAL FOR CREMATIONS

## WHY CHOOSE A PLAQUE?

A bronze plaque is a classic and enduring way for you and your descendants to honour your loved ones if you have chosen a cremation. GMCT has a large range of environments in which you can create your memorial, from a traditional wall niche or columbarium to contemporary garden settings with different botanical themes. You can choose a memorial environment and plaque that best reflects how you want to commemorate your loved one.

## YOUR OPTIONS

Plaques are available in small, medium and large sizes, with a natural or coloured finish. Most can be customised with motifs of your choice. The size of the plaque is dependent on the memorial you choose and your memorial location. A helpful Client Services consultant will show you the various options during your appointment.

## EXAMPLES

Flower Gum Design  
(7" x 7")

Bronze Rose Vase Plaque  
(9" x 9")

Plaque  
(6" x 4.5")
