GMCT NO CASH POLICY

Implemented 1 February 2018

What's changed

GMCT has changed its policy on the handling of cash. Effective from 1 February 2018, GMCT will no longer accept cash as a form of payment for any products or services.

Alternative payment options

Payments for products or services will be accepted using any of the below payment options:

- personal cheque
- bank cheque
- money order
- direct deposit
- credit card (Visa and MasterCard only)
- debit card

**Please note that banks will take at least three days to clear personal cheques presented to GMCT*

GMCT will continue to offer on-site payment facilities (EFTPOS and BPoint) to enable non-cash electronic payments via credit and debit card to be made.

Customers who prefer to pay by cash may find the direct deposit option the most satisfactory. This option involves the customer going to a local bank branch and depositing cash directly into the GMCT bank account.

GMCT's direct deposit banking details are:

Name: The Greater Metropolitan Cemeteries Trust
BSB : 063-237
ACC: 10286206

IMPORTANT: Please use your invoice number as a reference when making a bank deposit (top right hand corner of your invoice).
