## Headstone reinstatement at Coburg Pine Ridge Cemetery

As part of the ongoing management of Coburg Pine Ridge Cemetery, The Greater Metropolitan Cemeteries Trust (GMCT) will be reinstating approximately 300 historic markers/headstones to their original sites.

The reinstatement works will utilise a design which is practical and effective for the historic markers/headstones to lay on, and are due to commence early June 2019.

Before the commencement of the reinstatement GMCT is seeking contact from the family or descendants for the following individuals listed in this document who are buried at Coburg Pine Ridge Cemetery.

If you are, or know of, this person(s) please contact our Customer Care team on **1300 022 298** as soon as possible.
