Join our diverse team dedicated to serving Melbourne's communities with integrity, respect, compassion and sustainability.

Design lead

- **Location: Fawkner**
- **Full-time, fixed term (5 year contract)**

This is an excellent opportunity for an experienced Design lead to be part of our Future built environment team based at Fawkner.

The Design lead role is responsible for preparing master plans, policies & guidelines and concept plans across the areas of built environment and open space.

Key responsibilities include:

- Lead a broad range of GMCT design projects including masterplans, infrastructure, open space, conservation and restoration
- Manage and deliver design-led and impactful solutions through full project cycles including feasibility, design development and implementation. Work with sponsors/stakeholders to deliver projects through project scope definition, success metrics and criteria, project budgets and funding, project prioritisation and resourcing requirements
- Develop and implement innovative strategic policy, plans and concepts
- Identify and oversee new park and infrastructure projects - from early stages through to delivery - to ensure design excellence and consistency with GMCT's strategic direction

To be successful in this position you will require:

- Tertiary qualification in Landscape Architecture or allied profession
- Optimally 10+ years post-graduate experience.
- AILA registration (desired)
- End to end product/project scope management including scope, benefits and change definition
- Strong knowledge of landscape architectural tools, methodologies and design stages as well as detail design and documentation skills and experience
- Experience in project management methodology.

TO APPLY:

Applications must address the key selection criteria and be submitted to jobs@gmct.com.au

Closing date:
4pm Friday 24 May 2019

This position requires the successful candidate to undergo a pre-employment medical, police check and values testing.

People of Aboriginal and Torres Strait Island descent are encouraged to apply.
